

# 12th Knight Auction IV!

Once again the Chivalry of An Tir will host a live auction at Twelfth Night. The 4th Annual 12th Knight Auction will be held directly before Their Royal Majesties Uther and Angharad's Final Court in the main ballroom. In light of all the natural disasters this year, including hurricane Katrina, proceeds will go towards the Red Cross.

Donations of goods and services will be provided or sponsored by the Chivalry of An Tir.

All members of the populace are encouraged to come bid!

If you want to bid on items but cannot attend, you must send a person as your proxy. This Auction is LIVE.

Cash or checks only. All checks to be made out to the Red Cross

The 12th Knight Auction has raised money in the past for a family that had a tree fall on their tent at Autumn War, the next year we raised money for the Canadian Cancer fund in honor of Gerhard Kendal, and last year we raised money for the Tsunami relief effort.

This year we hope to break our previous records and clear over 2000\$. Past items have included titanium armour, matching sets of his and hers Elizabethan costumes, and hand made Damascus steel blades!

An ongoing list of donations will be circulated online on the Steps, Cathedral and many other venues in the weeks before the auction, and the items and services will be on display the Saturday morning as well.

Once again, Sir Brand will serve as our most excellent auctioneer, so get there early and bid on your favorite items!

In Service,

Sir Daniel

Coordinator 12th Knight Auction IV
