Prediction 1: Everyone back peddles and says “this is not what they wanted.”

I have taken an oath of silence about everything to do with the war all I am focused on is doing the above scenarios. If you see me not talking at the war this is why.

If I have time I will throw one of my war scenarios in there. I will have to see what I have props for.

Lyrics to help wash away that annoying shit sandwich taste in my mouth. Not that I am mad but singing this out loud has a way of purging all the bad stuff out of me.

No one knows what it's like
 To be the bad man
 To be the sad man
 Behind blue eyes
 No one knows what it's like
 To be hated
 To be fated
 To telling only lies
 But my dreams
 They aren't as empty
 As my conscience seems to be
 I have hours, only lonely
 My love is vengeance
 That's never free
 No one knows what it's like
 To feel these feelings
 Like I do
 And I blame you
 No one bites back as hard
 On their anger
 None of my pain and woe
 Can show through
 But my dreams
 They aren't as empty
 As my conscience seems to be
 I have hours, only lonely
 My love is vengeance
 That's never free
