2. Our Baronial Exchequer, THL Aelianora, provided the final gross income from J.C. (\$19, 821 + \$40 Canadian) and the final gate tallies (approximately 1,400 people). The breakdown of numbers will be submitted as part of my final report to Kingdom as soon as the final bills have been settled.

3. All receipts for J.C. must have been turned in (or arrangements made) by August 2 (Business Meeting). After that, THANK YOU FOR YOUR DONATION.
4. Final financial report (NMS \$\$\$ and Kingdom 75% of income) is due to Kingdom by August 13th, which is what is driving our haste in getting everything figured out.
5. I'm taking out a page in the August issue of The Crier to thank people for their help at J.C. If you have special people who should be recognized, please get me their names no later than August 5th.
6. Constabulary Report is complete. Marshallate report is complete. Chirurgeonate report is complete. Any others that should be included in my final report to Kingdom will be gleaned from The Flames or else I'll contact officers directly.
7. Thank you to the Barony of Dragon's Laire for being a part of Team Haggis. It was a lot of work, but a lot of fun as well. You all should be proud of yourselves, we made our Barony look like the absolute brightest jewel in the Crown of An Tir!
8. Look for Team Haggis III sometime in 2008. I still have one more Kingdom Event to do before I 'retire'. :-)
